

Let's talk about emergency alerts and fire detection cameras

Please join the City of Santa Rosa for an
upcoming community meeting

The wildfires experienced in 2017 revealed the City's need to strengthen our emergency notification and fire detection systems. The City is taking steps to ensure that our community is prepared in the event of another disaster and invites your input as we consider options to expand the ways in which we are able to monitor potential threats and notify the public during an emergency. Attend one of the following meetings and join the conversation.

October 17, 2018 from 5:30 - 7:00pm

Finley Community Center, 2060 West College Avenue

October 25, 2018 from 5:30- 7:00pm

Binkley Elementary School, 4965 Canyon Drive

November 7, 2018 from 5:30 - 7:00pm

Roseland Accelerated Middle School (RAMS) Gym, 1777 West Avenue

November 14, 2018 from 1:00 - 2:30pm

Oakmont Village Berger Center, 6633 Oakmont Drive

Each meeting will cover the same topics. Attend one to:

REVIEW the current tools in place to notify residents during an emergency. City staff will be available to provide one-on-one assistance to help you sign up for SoCoAlert and Nixle, as needed.

LEARN about various emergency notification and fire detection tools the City is considering acquiring as additions to our existing system and provide your input on these options.

RECEIVE a free emergency GO BAG to help you get your family's emergency plan started.
