RE: Exclusive use granted to 19 Glengreen Street

Dear Mary Patricia,

On Monday, April 15, 2019 the members voted by sealed ballot for common area to be granted to the homeowner at 19 Glengreen Street.

There are 21 homes in the community. Nineteen ballots were received. The members voted to approve the request with fifteen yes votes and three no votes. Which is more than the 67% approval required from the OVA.

Any questions let me know.

Sincerely,

A handwritten signature in black ink that reads 'Patricia Gromer'.
