

How to access your property web portal

1. Log on www.condofinancial.com
2. Go to homeowner's page.
3. Sign in or Register. If you have not registered, you must have your most current bill from Condominium Financial Management. In the body of the bill, you will find a pin number required to create an account. If the bill doesn't have a pin number it could be because you/your agent or other authorized person has created one before. Please contact Ofelia Roman at ofelia@oakmontvillage.com for assistance.
4. Once registered you will have access to:
 - a. Make a Payment:

Allows the user to process ACH payments via a checking account.
 - b. Add Payment Account:
 - i. Checking (free)
 - ii. Visa (charges do apply)
 - c. Download Statements
 - d. Go Green with E-Statements
 - e. View Account Activity
 - f. Update Property Contact Information * you must also inform OVA of this change.
