Firewise Projects Showcase Handout
Saturday, May 21st, 10 a.m. – 1 p.m.

HOME HARDENING	
Action	Details
Vents replaced	Installed Ember Defense Vulcan Vents for all vents on the house.
Gutter Guards	Gutter guards on all gutters.
Patio cover	Patio cover is all metal. It's raised up off the roof so that plant matter does not gather behind it. It has screens to help cool the patio and house from the hot west sun. Screens retract into metal housings to protect them from embers. Patio cover purchased from Northwest Exteriors.
Hog wire fence	Replaced wood fence in the backyard. Hog wire is fire safe and provides an open view.
Metal fence and gates	Gate and fencing installed on the north side of the home, attached to the house with metal, not wood.
New Roof	Roof replaced with Class A shingles
Paint	House painted including caulking of any cracks.

LANDSCAPING	
Action	Details
Juniper Removal	All juniper along the back of the property was removed and replaced with fencing and plantings along the golf course
Plant Removal	All bushes which were up against the house were removed and replaced with gravel.
Installation of Gravel & Pavers	Entire yard was redone with the gravel and pavers.
Plant Upgrade	Entire yard redone with new plantings.
Prune Trees	Trees pruned to raise the limbs off the roof and chimney. Maple tree limbed up and opened up.
