

**Oakmont Village Association
Service Provider List**

DISCLAIMER. The Association does not endorse or recommend any of the services identified. The Association takes no position as to the suitability of any identified services, nor does the Association take a position as to alternative services not identified. The Association advises that professional advice as to these services should be sought where necessary. Accordingly, the Association is not liable for any claims, issues, or damages associated with the utilization of any of the services identified or negligence of any service providers. Note: State Law requires that contractors performing work totaling \$500 or more (including Material and Labor) must be licensed by the Contractors State Licensing Board (CLSB) to work in California. For further information contact the Contractors State License Board: www.cslb.ca.gov or 1-800-321-2752
