

# MEET YOUR NEIGHBORS (MYN)

## Oakmont's Emergency Preparedness Program

**WHAT:** You are invited to a neighborhood gathering to learn about MYN, meet your neighbors, and come up with a plan to help each other during an emergency.

Meet Your Neighbors is the official, OVA board-supported Oakmont Emergency Preparedness program. The program is designed to help neighborhoods prepare for disasters - neighbors helping neighbors. It is a peer-led, team-based program that provides educational materials and support needed to help neighborhoods get ready -together- for any disaster.

**WHY:** It's a way to get to know your neighbors, those people who are most likely to be the first on the scene and to your rescue after an earthquake.

At this meeting we will:

- Create a **Contact List** with everyone's name, house and phone numbers.
- Create a **Neighborhood Map**, identifying locations of utility shut offs.
- Identify important skills & equipment each neighbor has that could be useful in a disaster.
- Learn how to work together as a team during the first hour following a disaster such as a major earthquake.

We hope you can join your neighbors to learn how we can work together to increase our preparedness and life safety in an emergency.

**WHEN:**
