- No items submitted for discussion.

New Business:

1. Is it necessary to contact the owner of the property that is building the 3 duplexes on Stone Bridge Rd at Oakmont Drive or is it possible for AC to contact the individual subcontractors that haven't been alerted to our "no contractor signs"? – Linda B.
2. Was the entrance leading to the drainage ditch that the sheep were stuck in a horizontal entrance or vertical entrance. So future grazing sheep, wildlife and people (wrt vertical entrance) don't end up being injured or trapped, what installation at the entrance to this drainage pipe is being planned? – Linda B.
