## OPEN FORUM

- Possible topic for future: newsletters and samples
- AB1572 – Calfire wants to recommend some changes regarding firewise requirements – no changes expected for the remainder of this year
- Artificial Grass – not allowed by Cash for Grass Program
- John MacInnis is LOMAA representative to the Governing Documents Committee looking into changes to OVA master documents: CCRs and By-laws. The first step will be recommending a lower % for quorum and change approvals to both documents; current the requirement is very difficult to achieve and makes changes difficult. A standing agenda item will be added for John to keep LOMAA updated on progress and any impacts to sub-HOAs governing documents.
